

PURAL
WATER SPECIALTY CO. INC.
An Employee Owned Company

Providing
cost effective
solutions to the
water industry.

Hydrant Services and Flow Testing

Periodic inspection and servicing of your hydrants will insure necessary operations and prolonged life of your hydrants. Proper inspections can uncover critical mechanical problems from inoperable valves leaks, or clogs caused by dormancy or debris.

Pural Water Specialty Co. are experienced technician trained in flow-testing and servicing hydrants.

Proactive Hydrant management will address emergency water systems needs.

Our Inspection and Flow Testing consists of:

- Determine the actual water pressure and flow rates in the water distribution system
- Provide necessary information to water service planners
- Test to uncover mechanical problems before emergencies occur, e.g., Fire.

Key Benefits

- Statewide Field Testing
- Three Service Centers in Hawaii

Capabilities

- Trained and Certified Flow Testers
- Wet and Dry Barrel Service Programs
- Neutralize of Discharge
- NPDES permit and Monitoring of Discharge
