cost effective
solutions to the
water industry.

CLOSE CIRCUIT TELEVISION (CCTV) INSPECTION SERVICES

Pural Water Specialty is one of Hawaii's leaders in niche water services and technologies that provides camera inspection and record imaging service of newly constructed underground piping.

Various government and private jobs have specifications requiring newly constructed sewer lines and storm drains to be visually inspected and documented. Utilizing various recording media, our reporting procedures meets Hawaii's County and Federal standards.

Capabilities

- CCTV Technicians utilizes both hand pushed and tractor cameras
- Technicians are National Association of Sewer Service Co. (NASSCO) trained and certified in the various programs to include:
 - Pipeline Assessment Certification Program (PACP)
 - Manhole Assessment Certification Program (MACP)
 - Lateral Assessment Certification Program (LACP)
- Technicians are trained and equipped for Confined Space Work.

Core Values

1. Competent - Be prepared
2. Courteous - Be Nice (treat others as you would like to be treated)
3. Good Value - Be fair & reasonable
4. Humble - Be local (share our Aloha)
5. Integrity - Be honest

Mission Statement

Serve Him and His people in our marketplace.

Vision Statement

Make this world better, one drop at a time.

Pural remains committed to providing its customers with innovative water solutions to its current as well as future customers. Our highly trained staff allows Pural the ability to introduce new technologies that benefits our customers through increases in efficiency and effectiveness.
